

LONG REACH HIGH SCHOOL BOOSTERS CLUB

The Long Reach High School Booster's Club is a 501(c)(3) non-profit organization. We are an organized group of parent volunteers who promote school spirit and pride by supplementing funding of Long Reach's extracurricular activities. We accomplish this through partnerships with the school administration, club sponsors, coaches, student support groups and local businesses.

The Boosters give \$15,000 to \$20,000 annually to athletic, academic and arts programs at LRHS. We have donated money to the prom and helped to purchase awards for students. Additionally, we award scholarships to several seniors each year.

We are thankful for all the parents and staff members who support us every year. However, we need more parents to join and get involved.
